

Sample layout and blog directions use the Back to School collection.

Step 1: Use the yellow toy mini-figures building blocks paper as the base.

Step 2: Using the 12-inch Trimmer, cut five 1 x 12" strips and two 1/2 x 12" strips from various designer and building blocks papers. Adhere two 1 x 12" strips and one 1/2 x 12" strips horizontally along top and bottom edges of base page. Adhere remaining 1 x 12" strip vertically along left-hand edge of base page.

Step 3: Using the 12-inch Trimmer or All-Purpose Scissors, cut seven 1 x 2" blocks from the multi-hued tessellated building blocks paper. Use Foam Squares to mount blocks in zigzag pattern over the edge of the vertical 1 x 12" paper strip.

Step 4: Using the 12-inch Trimmer, cut one 4 x 4" and one 4 x 6" photo mats from designer papers. Mount one 3-3/4 x 3-3/4" photo and one 3-3/4 x 5-3/4" photos on mats. Arrange between paper strips and adhere.

Step 5: Add embellishments and stickers in clusters as shown or as desired, using Foam Squares for added dimension. Cut a small piece from one of the lined tag embellishments and tuck under 4 x 6" photo. Journal on the tag with a Dual-Tip Pen.
