

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

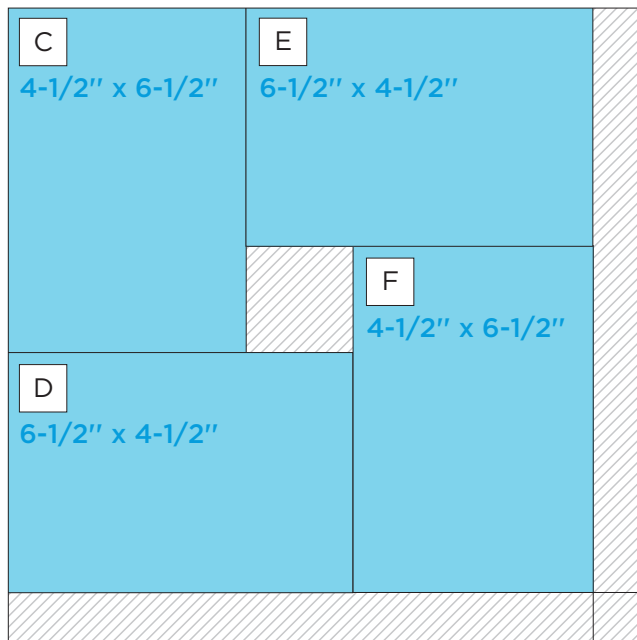

- Use one sheet of designer paper and one sheet of foiled accent paper for your base.
- Using the Heart to Heart Border Punch, punch three borders from Platinum Shimmer Cardstock. Trim all three border pieces at the 4-3/4" mark to make pieces G, H and I. Then trim piece L down to 4-3/4".
- To cut foiled accent paper #1, begin by using the 12-inch Trimmer to cut 1" off both sides, creating an 11" x 11" sheet. Align this new sheet in the trimmer at the 4-1/2" mark and cut partway down the paper, stopping at the 6-1/2" mark. Turn the paper clockwise 90 degrees. Once again, align at the 4-1/2" mark and cut partway down, stopping at the 6-1/2" mark. Repeat twice more to create pieces C, D, E and F.
- Using the 12-inch Trimmer, finish following Cutting Guides 1 and 3 with designer paper and cardstock.
- Using the Tape Runner, adhere all pieces following the sketch above. Use the Repositionable Tape Runner Refill to adhere trimmed border pieces.
- Adhere photos and journal as desired.
- Optional: Use the 2-Way Corner Rounder to cut the corners of pieces C, D, E and F, as well as the 6" x 4" photos. Apply stickers and embellishments using Foam Squares to add dimension.
