

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

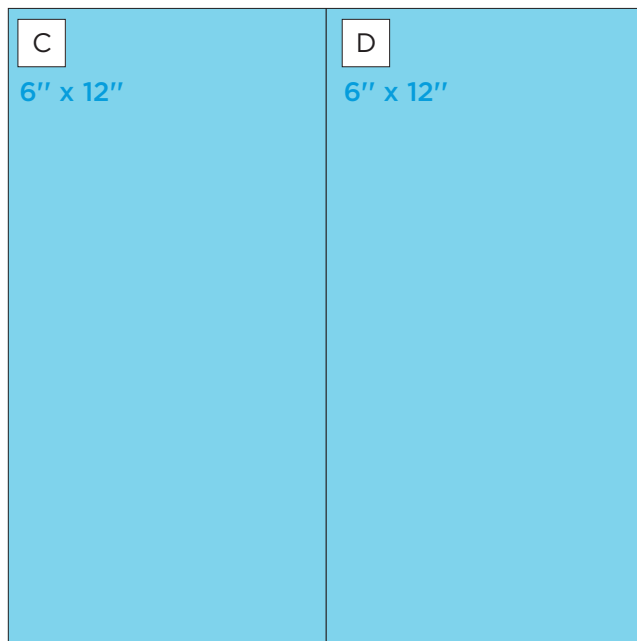

- Using the Diamond Arches Border Punch, punch then cut two borders from tone-on-tone paper #2.
- Using the 12-inch Trimmer, finish following Cutting Guides 1, 2, 3 and 4 with cardstock, designer paper and tone-on-tone paper.
- To make the left side of your base, lay pieces A and C directly next to each other facedown on a flat surface so they meet edge to edge. Apply adhesive to welding piece E. Overlap and adhere piece E down the back seam of pieces A and C so that it joins them into a full 12" x 12" sheet.
- For the right side of your base, repeat the welding process by applying adhesive to welding piece F and adhering it to the backs of pieces B and D.
- Using the 12-inch Trimmer with the Scoring Blade, score 1-1/2" inches from the outer edges on pieces A and B and fold along the score line.
- Using the Repositionable Tape Runner, adhere border piece M behind the folded edge of piece A. Adhere border piece N behind the folded edge of piece B. Adhere both folded pieces down.
- Adhere piece G 1/2" behind A and piece H 1/2" behind B so that both sides of your spread are now a full 12" x 12" sheet.
- Using the Tape Runner, adhere the rest of the pieces following the sketch above.
- Adhere photos and journal as desired.
- Optional: Use a 4" x 6" mat on top of piece Q. Apply stickers or embellishments using Foam Squares to add dimension.
