

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

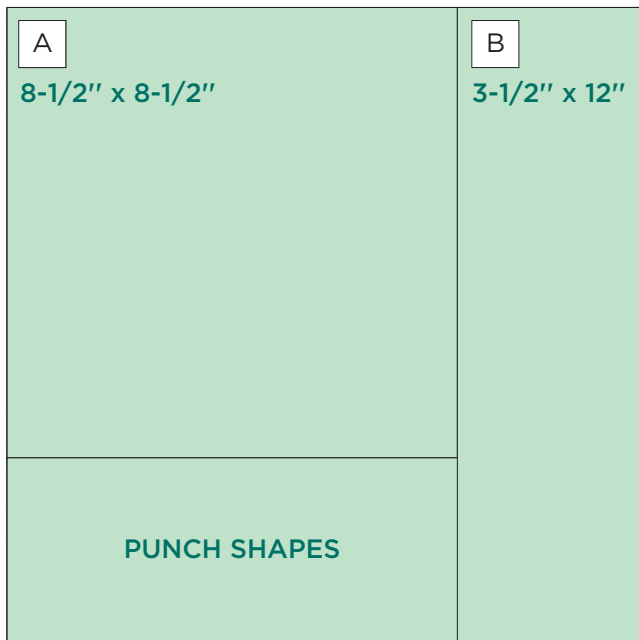

- Use two pieces of designer paper for your bases.
- Using the 12-inch Trimmer, follow Cutting Guides ①, ② and ③ with cardstock and tone-on-tone paper.
- Using the Holly Punch, punch nine holly shapes from the leftover piece of cardstock. (**Tip:** If you are unable to get all the shapes punched from this piece, use your choice of extra paper that is left over once you have cut all the other pieces.)
- For each of the square 2-1/2" x 2-1/2" pieces, find the middle of each square either by measuring or by folding

the square twice and lightly marking the middle spot. Fold two opposite corners to meet in the middle. Use the Repositionable Tape Runner Refill to adhere the corners down.

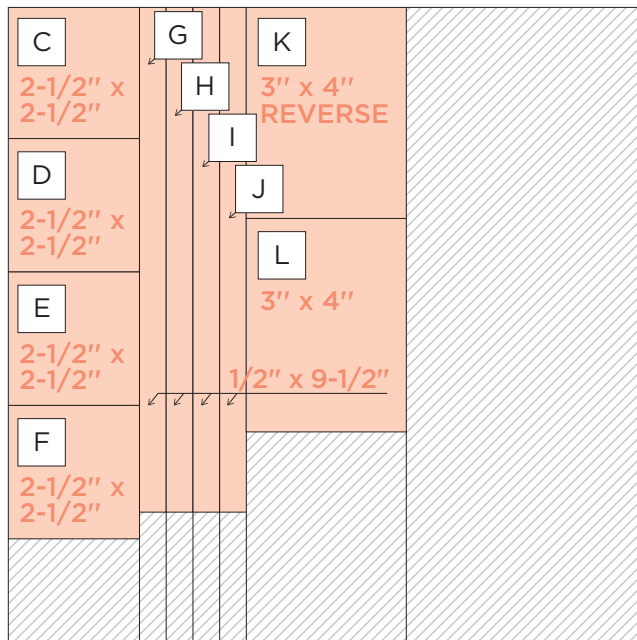

- Using the Tape Runner, adhere the rest of the pieces following the sketch above. Use the Repositionable Tape Runner Refill to adhere punched shapes as shown.
- Adhere photos and journal as desired.
- Optional: Apply stickers or embellishments using Foam Squares to add dimension.
