## INSTRUCTIONS

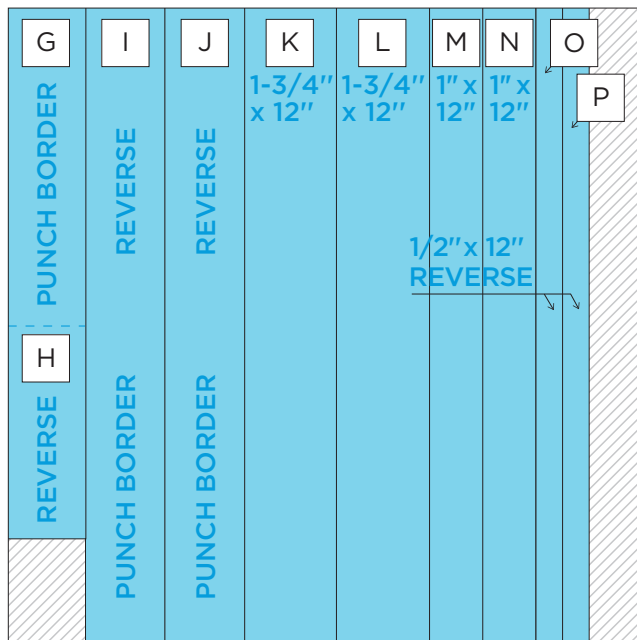

- Use one sheet of Starry Night Shimmer Cardstock and one sheet of designer paper for your base.
- Use the Flag Banner Border Punch to punch two borders from designer paper #1. Then trim border A into seven segments of two flags each and trim border B into five segments of three flags each.
- For piece D, use the outside of the small Circle CCS Pattern with the Green Blade. For piece E, use inside of the large Circle CCS Pattern with the Blue Blade. Reverse pieces D and E.
- For all F pieces, use the inside of the medium Circle CCS Pattern with the Red Blade to cut five circles. Cut each circle in half.
- Use the Flag Banner Border Punch to punch three borders from designer paper #2. Trim piece G to 6" long and piece H to 4" long. Reverse pieces G, H, I and J.
- Using the 12-inch Trimmer, finish following Cutting Guides ② and ③ with designer paper and cardstock. Use scissors to cut the end of piece V to make a flag.
- To assemble border punch pieces A and B into circles, start by using the Repositionable Tape Runner along the outer edge of the backsides of pieces D and E. Then apply six of the A pieces (banner segments of two) along the sticky edge of piece E, leaving a gap that will be covered by pieces C and Q. Apply the last piece A and all five B pieces (banners segments of three) along the sticky edge of piece D.
- Using the Tape Runner, finish adhering the pieces following the sketch above. Use the Repositionable Tape Runner Refill to adhere border pieces.
- To cut the circle photo over piece D, use the outside of the small Circle CCS Pattern with the Red Blade. Adhere photos and journal as desired.
- Optional: Apply stickers using Foam Squares to add dimension.
