

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

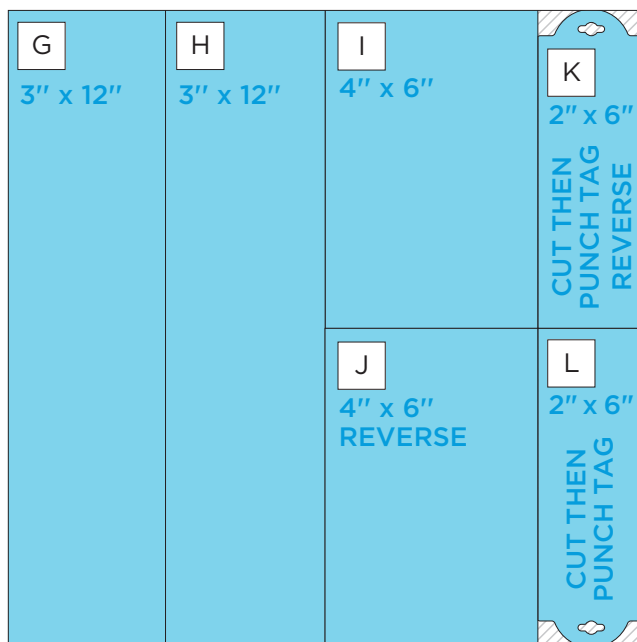

- Using the 12-inch Trimmer, follow Cutting Guides 1, 2, 3, 4 and 5 with Tie Dye Designer and Denim Texture Tone-on-Tone papers. For striped papers, pay attention to the direction of the stripes before cutting.
- Use the 3-in-1 Bevel Tag Punch to punch the 2" ends of pieces E, F, K, L, O and P.
- To make the left side of your base, lay pieces Q and S directly next to each other facedown on a flat surface so they meet edge to edge. Apply adhesive to welding piece M. Overlap and adhere piece M down the back seam of pieces Q and S so it joins them into a full 12x12 sheet.
- For the right side of your base, repeat the welding process by applying adhesive to welding piece N and adhering to the backs of pieces R and T.
- Use the Tape Runner to finish adhering the rest of the pieces following the sketch above.
- Adhere photos and journal as desired.
- Optional: Apply stickers and embellishments using Foam Squares to add dimension.
