**Step 1:** Cut a 3-1/4 x 12" strip of green plaid patterned paper for the base. Cut a 2-3/4 x 11-1/2" strip of White Solid Cardstock and mount it on the base.

**Step 2:** Punch a border with the Treeline Border Punch with Dark Green Solid Cardstock. Trim to measure 12 x 3-3/4". Cut into 2-1/2"-wide sections. Repeat with snowflake paper, varying the sections so the trees offset the green ones.

**Step 3:** Punch a tree border with snowy pines patterned paper. Trim to measure 12 x 4-1/2". Cut into 2-1/2"-wide sections. Using the 12-inch Decorative Trimmer, cut the sections apart.

**Step 4:** Adhere the tree line sections to the white strip, starting with dark green on top, then snowflake, then the snowy pines sections, using the photo as a guide. Trim the last layers as needed to fit the strip.

**Step 5:** Add stickers, mounting some with Foam Squares for added dimension.
