

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

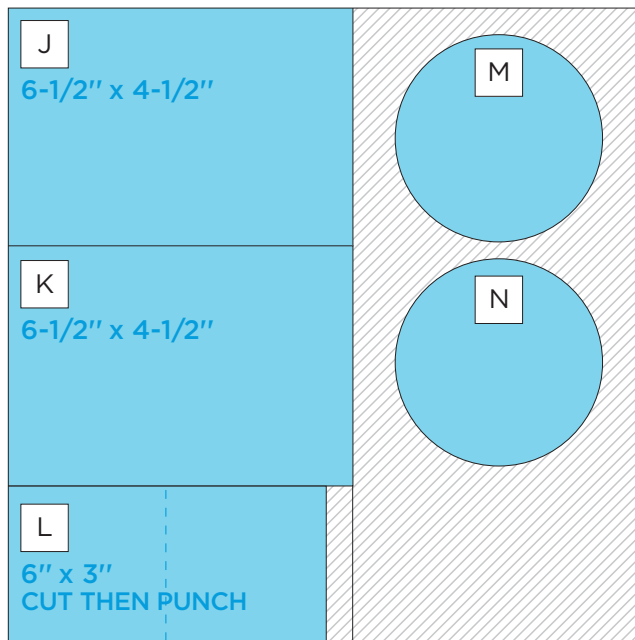

- Use two sheets of designer paper for your base.
- Using the Spider Webs Frame Punch, punch border piece O from White Cardstock, then trim at 2-1/2" using the 12-inch Trimmer. Repeat for piece P.
- Using the 12-inch Trimmer, finish following Cutting Guides 1, 2 and 3 with cardstock and designer paper. Trim piece Q into three 4" sections.
- Using the Spider Webs Frame Punch, punch around one long side and both short sides of piece L using the silver frame markings on the arm sides of the punch. Cut L in half to create two corner spiderweb pieces. Punch pieces R and S on all sides using the frame markings on the punch.
- For pieces M and N, use the outside of the smallest CCS Circle Pattern with the Red Blade to cut two circles from the leftover Orange Shimmer Cardstock.
- Use the Tape Runner to adhere all pieces following the sketch above. Use the Repositionable Tape Runner Refill to adhere spiderweb pieces first, starting by layering half of piece L on R and the other half on S. Adhere A and B on top of O and D and C on top of P. Layer E on top of R/L, and M on top of E. Layer F on top of S/L, and N on top of F.
- Adhere photos and journal as desired. Tip: Use the inside of the largest CCS Circle Pattern with the Red Blade to cut circle photos to place on top of M and N.
- Optional: Apply stickers using Foam Squares to add dimension.
