

Sample layout and blog directions use the Happy Camper papers and stickers.

Step 1: Use the topography paper as the base for the layout.

Step 2: Cut two pieces of wooden blocks paper to measure 4 x 4". Cut both pieces in half, from corner to corner to create triangles. Adhere these pieces in corners of the layout, leaving about 1/4" on the outside.

Step 3: Cut a piece of the ferns paper to measure 11 x 11". Using the 12-inch Trimmer, cut the inside out, leaving a 1" frame. Adhere to the layout.

Step 4: Cut four pieces from the rustic stripes paper to measure 10-3/4 x 1/2". Use the 45-degree line on the 12-inch Trimmer and miter the corners of these pieces. Adhere to the top of the ferns frame, lining up the mitered corners.

Step 5: Cut two pieces of the fire red flannel paper to measure 4-1/2 x 6-1/2". Adhere to the layout for photo mats. Adhere [4 x 6"] photos.

Step 6: Add a title to the wooden post embellishment using the Alphabet Stamp Kit.

Step 7: Adhere stickers and embellishments to the layout, using Foam Squares on some for added dimension.

Step 8: Journal as desired.
