

Burlap & Lace - Layout 1

SUPPLIES

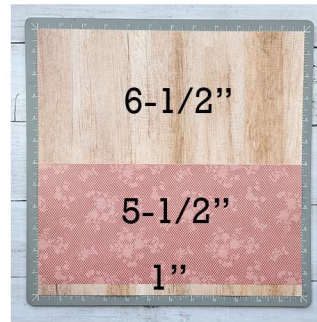

- 1 Rose Lace Paper
- 2 Light Wood Papers
- 2 Green Lace Borders
- 2 Rose Borders
- Hot Fudge Cardstock (Mats)

1. Trim the rose lace paper in half at 6" and then trim a 1/2 x 12" strip from each larger piece.

2. Trim BOTH light wood papers as shown. Save the 4-1/2" strip for a later project.

3. Adhere the 5-1/2" rose paper to the two wood pieces as shown above. The rose paper will overlap each wood piece by 1/2"

4. Adhere the green lace borders on top of the 1/2" strips of the Rose paper (white overlay side up.)

5. Left Page: Adhere the rose border so that it extends 7-1/2" across the top left. On RIGHT PAGE it will extend 7-1/2" across the lower right.

FINISHING THE LAYOUT

Hot Fudge cardstock is used in sample to show potential mat/photo placement.

In lieu of the (2) 3-1/2 x 5" photos, you can use a 7 x 5" or 6-1/2 x 4-1/2" mat for a 6 x 4" photo.

Add additional embellishments as desired.
