

Polar Lights Layout 4

SUPPLIES

1 Snow Spots Paper
1 Polar Bear Paper

2 Flocked Snowflake Borders
Embellishments/Stickers as desired

DIRECTIONS

1. Start with background paper and adhere the two snowflake borders as shown so that they divide the layout into four quadrants.
2. Trim four 4-1/2" square mats from the polar bear paper. Adhere two with the polar bears facing up in opposite corners and the other two with the tonal pattern facing up.
3. Add stitching detail with the black journal pen if desired.
4. Add 4" square photos or journaling box.
5. Add embellishments as desired.
