

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

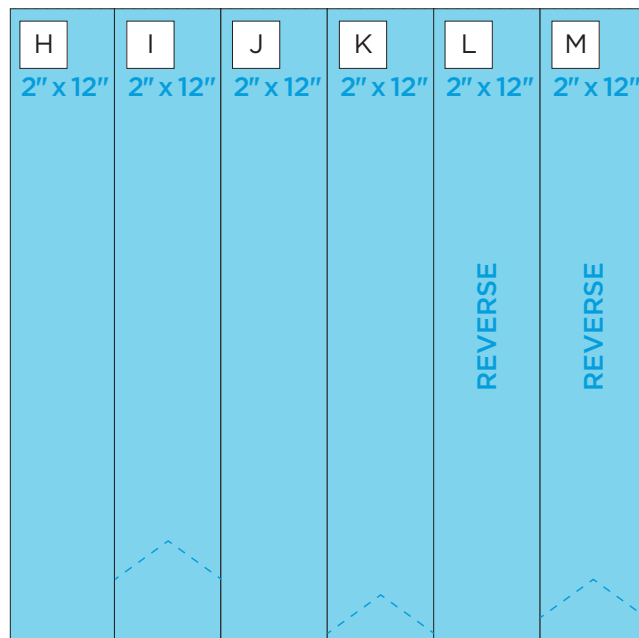

- Use two sheets of Blue Cardstock for your base.
- Using the Wispy Chain Border Maker Cartridge with the Original Border Maker System, punch border pieces A, B and C from designer paper #1. Use the 12-inch Trimmer to trim designer paper #1 to 8-1/2" x 12" wide.
- Using the 12-inch Trimmer, finish following Cutting Guides ①, ② and ③ with designer paper.
- For pieces I, K, M, O and R, gently fold the corners of one end together and cut at an angle from the folded side to the corners to create banners. Cut each banner at a different length.
- Use the Tape Runner to adhere pieces Q, H, L, N and J on the left page and banners R, I, M, O and K on the right page as shown. Slide two 4" x 5" photos behind piece L and one 4" x 5" photo behind piece M before adhering if desired.
- Weave the punched borders A and C along the edges of piece P, then use the Repositionable Tape Runner to adhere B down the middle of piece P. Adhere this whole border piece to the left side of the spread.
- Finish adhering photo mat pieces D, E, F and G.
- Adhere additional photos and journal as desired.
- Optional: Apply stickers and embellishments using Foam Squares to add dimension.
