Step 2: Cut – or punch using the Square Punch – (10) 1-3/4" squares with various printed-pattern designer and accent papers and (10) 1-3/4" squares with various tonal-patterned designer and accent papers. Round all the corners using the 2-Way Corner Rounder.

Step 4: Adhere all the squares around the outside of the layout as shown, alternating printed-pattern and tonal-patterned squares.

Step 5: Cut a 7-1/2 x 7-1/2" square with White Solid Cardstock. Adhere to the middle of the layout. Cut four 3-1/2 x 3-1/2" squares with blue diagonal stripes designer paper and adhere three of them on the white cardstock. Crop three photos to 3-1/4 x 3-1/4" and adhere on the squares.

Step 6: Using the inside edge of the largest Circle Custom Cutting System Pattern and the Blue Blade, cut a circle from the middle of the fourth square. Place a 3 x 3" square of blue accent paper behind the opening and adhere on the layout.
