

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

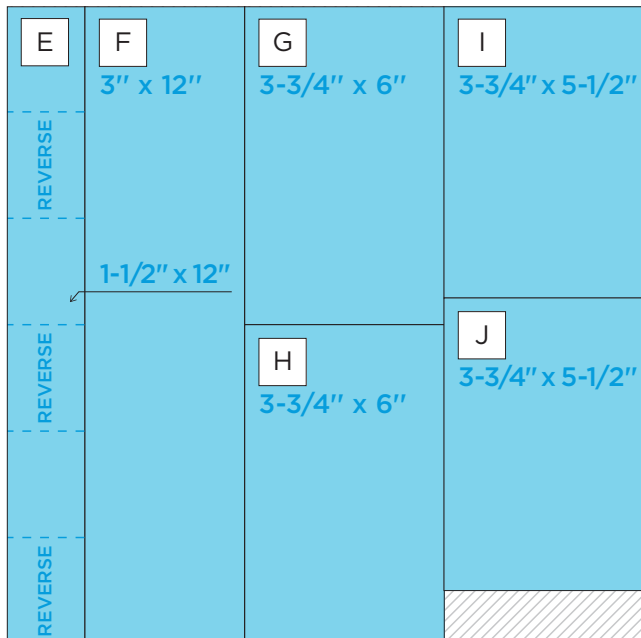

- Use two sheets of the same designer paper for your base.
- Using the Barn & Fence Border Maker Cartridge with the Original Border Maker System, punch border piece A from cardstock. Use the 12-inch Trimmer to trim the border to 1-1/4" wide. Then trim the border into six 2" sections, flipping over three of them.
- Using the 12-inch Trimmer, finish following Cutting Guides 1, 2 and 3 with cardstock and designer paper. Trim piece E into six 2" sections, flipping over three of them, and then trim piece K into six 1-3/4" sections.
- Use the Repositionable Tape Runner to adhere border pieces A onto E sections. Then use the Tape Runner to adhere these E/A pieces on top of the K sections.
- Adhere piece F approximately 1/4" from the left edge of the right page. Adhere B on top of F. Arrange the six K/A/E pieces evenly on top of B and adhere with the Tape Runner.
- Use the Tape Runner to adhere pieces C and D approximately 1/2" from the edge on the base pages as shown, then finish adhering photo mat pieces G, H, I, J, L, M, N and O.
- Adhere photos and journal as desired.
- Optional: Apply a 6" x 4" mat on top of piece O instead of a photo. Apply stickers and mini embellishments using Foam Squares to add dimension.
