

Sample layout and blog directions use the Polar Lights (2022) collection.

Step 1: Use a piece of twinkling lights designer paper as the base for this layout. Cut two 1/2 x 12" strips of stripes designer paper and adhere on the left and right sides of the layout.

Step 2: Cut a 2 x 12" strip of each northern lights and snow designer papers. Cut each in half at 6". Cut each 2 x 6" piece diagonally from top-left corner to lower-right corner. Arrange triangles along the left and right sides of the layout, using the photo as a guide for placement.

Meggan's Notes: The 2 snow patterned 2 x 6" should be cut from upper left to lower right. Trim the other two, patterned side up, from upper right to lower left.

Step 3: Crop two photos to 5-3/4 x 3-1/2" and mat with two 6 x 3-3/4" pieces of White Solid Cardstock. Mat on the layout along with a 6 x 4" variety mat.

Step 4: Add stickers and embellishments.

Step 5: Journal as desired.
