

Sample layout and directions use the Back to School (2022) collection

Step 1: Use a piece of Black Solid Cardstock as base.

Step 2: Using the 12-inch Trimmer, cut an 11" square from the rulers designer paper.

Step 3: Using the 12-inch Trimmer, cut three 4 x 12" strips from the blue thought bubbles, red apples and Kelly green dots designer papers. Arrange them over the 11" rulers paper square on angles emanating from the bottom middle and fanning out to the top. Adhere and trim off overhang with 12-inch Trimmer. Align and adhere to the base page.

Step 4: Cut two 1-1/2" squares from the stripes paper. Cut each square from corner to corner to get four triangles. Add one triangle to each corner of the rulers paper.

Step 5: Mount one 3-1/2 x 5-1/2" photo onto the Kelly green dots strip, aligning the edges/angles.

Step 6: Adhere one 4 x 6" photo behind the layered file folder frame embellishment with Tape Runner, then arrange and adhere it on top of the other photo and paper strips on the opposite angle.

Step 7: Add a journal tag from the embellishments pack and a title sticker below photos as shown or desired. Journal on the tag with a Dual-Tip Pen.
