

Border 1

Step 1: Using the Wave Blade, cut a 12 x 3-1/4" strip with Navy Solid Cardstock for the base. Cut a 12 x 1-1/4" strip of aurora paper and adhere near the top of the base. Cut a 12 x 1/2" strip of green swells paper and adhere near the bottom. And cut a 12 x 1-1/4" strip of snowflakes paper and adhere in the middle.

Step 2: Using the Polar Bears Border Punch, punch borders with White, Island Waters, Dark Sea Green and Navy Solid Cardstock. Use the white border as the base. Cut apart the other borders into mama/baby bear sections. Adhere sections on the base, alternating colors. Mount on the border.

Step 3: Add a mountain border sticker. Adhere embellishments using foam squares.

Border 2

Step 1: Cut a 12 x 3" strip of pine boughs paper for the base.

Step 2: Using the inside of the medium Custom Cutting System Circle Pattern and the Red Blade, cut three circles of snowy paper and two circles of green swells paper. Trim off the bottom 1/4" of each circle and adhere side by side on the border, alternating colors as shown. Trim out the "Like Snowflakes..." strip from designer paper and adhere just beneath them, about 1/2" from the bottom edge of the base.

Step 3: Using the Polar Bears Border Punch, punch borders with Beige and White Solid Cardstock. Adhere the beige polar bears border on top of the circle border you created in Step 2. Adhere the white polar bears border on top and offset slightly, using foam squares.

Border 3

Step 1: Cut a 3-1/4 x 12" strip of striped paper for the base. Cut a 2-5/8" strip of Navy Cardstock and adhere on the base. Cut a 12 x 2-3/8" strip of polar bears paper and mount on top.

Step 2: Cut a 2-3/8 x 1-1/2" strip of snowy paper. Fold in half and snip off a small section from one side. Trim off an equal section from the opposite side so that when unfolded, it forms a chevron. Repeat with another strip of snowy paper and two of beige chevrons paper.

Step 3: Cut a 2-3/8 x 4" piece of aqua triangles paper. Adhere on the border, about 2" from the bottom edge. Adhere the chevrons above and below, as shown.

Step 4: Using the Polar Bears Border Punch, punch a border with Navy Cardstock. Trim into 2-3/8" sections and adhere on the border.
