

Comfortable Camper Border

1. Punch Hot Fudge Cardstock with the Comfortable Camper Border Punch. Trim 2-1/4" from the top of the tallest tree.

2. Use Post-It Notes to hold the punched border in the paper holder and punch with Chevron Arrows BMC.

3. Trim 1/2" strips from the striped mat (or other designer paper) and adhere behind the chevron border.

4. Trim a 1*1/2" strip of the map paper and adhere to the top of the orange plaid paper.

5. Adhere the border to the top of the layout. Punch a row of campers with lighter brown cardstock. Use Precision point adhesive to adhere doors and

Bottom Border: Punch Chevron Arrows and trim to 1-1/8". Trim additional 1/2" strips of mat or cardstock to layer behind border. Adhere a 1/2" strip of map paper to the bottom of the orange plaid paper and then adhere border on top.

FINISHING THE LAYOUT

Use 4-1/2 x 6-1/2" variety mats paired with 4 x 6" photos. Cut a 4-1/2" square mat from tonal paper or cardstock and use with a 4" square photo. Punch Trail Signs and add embellishments as desired.
