

## Unbe-LEAF-able Border Punch + Jumbo Circle

How-To Video

1. Cut cardstock with Jumbo Circle and Red Blade on the outside track. Mark every 30° and punch with border punch. See video.

2. Cut 12 ovals with Oval #2 and the Red Blade on the inside track. Cut off approximately 1/8" from one side of the oval.

3. Adhere the trimmed ovals to the back of the leaf ring.

4. Cut a 3 x 12" strip of paper. Trim (2) 1/4" strips of contrasting paper to border each side. Adhere pieces to the left side of the page.

### FINISHING THE LAYOUT

Adhere the leaf ring to the layout. Cut two mats to 4-1/2 x 6" and use with 4 x 5-1/2" photos. Embellish as desired.
