

Iron Stripes Border

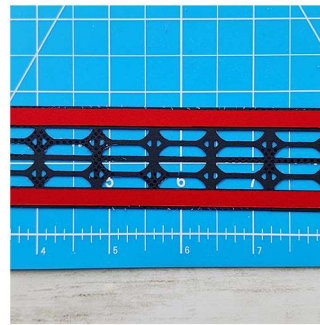

- Iron Gate Border Punch
- US of Yay! Designer Paper
- US of Yay! Laser Cut Borders
- Navy, Cranberry and White Cardstock
- Starry Night Shimmer Paper

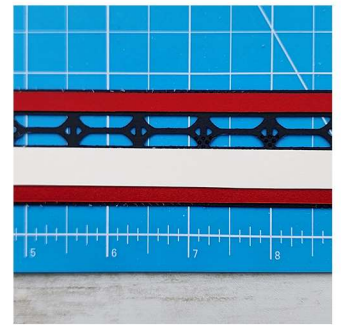

1 Punch Navy Cardstock with the Iron Gate Border Punch and trim to 1-7/16".

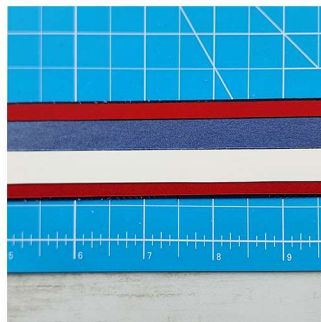

2. Trim 2 strips of Cranberry Cardstock just shy of 1/4". Cut a strip of White cardstock and Starry Night Shimmer Paper just shy of 1/2".

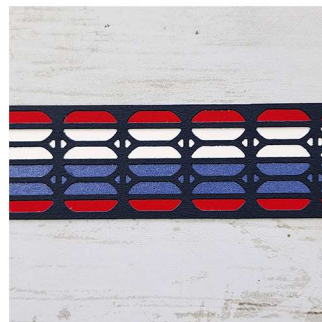

3. Adhere the Cranberry strips as shown to the back of the Iron Gate border.

4. Adhere the White strip as shown, making sure that the color does not go past the horizontal middle bar of the punched border.

5. Adhere the Starry Night Shimmer strip.

Final Border to use as needed in your layout.

FINISHING THE LAYOUT

Trim a 12 x 1-1/4" of flag paper and adhere 1/4" from the top of the tonal blue stripe paper. Adhere the Iron Gate border and then tuck in the laser border as shown.
