

Sample layout and blog directions use the Spring Medley (2020) collection

Step 1: Use the dark blue patterned paper as the base for this layout.

Step 2: Cut out the inside of the dark blue patterned paper, leaving a 1-1/2" border. You will use the rest of the paper from the inside for your photo mats.

Step 3: Using the Border Maker System with the Spring Leaf Chain Border Maker Cartridge, punch 12 borders from a variety of patterned papers. Adhere to the Cloud Cardstock. Trim 1/4" from all sides of the Cloud Cardstock piece and adhere to the dark blue paper.

Step 4: Tuck and adhere the embellishment pocket on the bottom left corner of the cardstock piece. [Meggan's alternate: Use the Jumbo Circle CCS Pattern with the Blue CCS Blade on the inside track to make a HALF circle. Fold piece around the corner of the layout.]

Step 5: Cut photo mats from the dark blue patterned paper that measure: (2) 3-3/4 x 4-1/4" and (1) 4-3/4 x 6-3/4".

Step 6: Adhere a 4 x 6" photo on a large mat, then onto the dark blue mat.

Step 7: Mat two photos that measure 3-1/2 x 4" onto the dark blue mats. Adhere the photos/mats to the layout as shown.

Step 8: Adhere stickers and embellishments to the layout, adding some with Foam Squares for added dimension. Journal as desired with the fine tip on the Denim Dot Pen.
