## PROJECT RECIPE ${ }^{m}$ <br> Auturun Harvest

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

## INSTRUCTIONS

- Use two sheets of the same designer paper for your base.
- Using the 12 -inch Trimmer, finish following Cutting Guides 1 2 and 3 with designer paper. Be sure to pay attention to the direction of the paper pattern before cutting.
- Use the Pumpkin Patch Frame Punch to punch pieces E and F into borders.
- For pieces $G$ and $H$, punch frames using the Pumpkin Patch Frame Punch. First position one corner of the $8^{\prime \prime} \times 6^{\prime \prime}$ rectangle at the silver line on the right arm of the punch. Punch once at that position and then slide the punched paper to cover the silhouette shape imprinted on the punch. Punch again and repeat until there is not enough paper to cover the shape on
the punch. Turn the piece clockwise and align the adjacent edge at the silver line on the right arm of the Pumpkin Patch Frame Punch. Repeat on each side until the frame is complete. - Use the Tape Runner to adhere pieces following the sketch above. Adhere A and B first, followed by C and D. Then adhere photo mats K, L, M and $N$.
- Use the Repositionable Tape Runner to adhere border pieces $E$ and $F$ on top of $C$ and $D$, and then adhere frames $G$ and $H$ as shown. Finish by adhering photo mats I and J.
- Adhere photos and journal as desired.
- Optional: Apply stickers using Foam Squares to add dimension.
