Step 2: Using the piece of off-white arrows paper, measure 5" down from the upper-left corner leaving a pencil mark. Measure down 2" from the upper-right corner along the right edge of the paper. Use your 12-inch Trimmer to cut from pencil mark to pencil mark. Adhere the angled piece of off-white paper to the top edge of the cardstock.

Step 3: Using the Square Punch, punch five squares from a variety of papers. Use the 12-inch Trimmer to cut from corner to corner to create triangles. Adhere triangle pieces along the angled edge of the off-white paper. Trim off any excess with scissors.
