

Step 1: To make the base, punch a border using the Lace Trim Border Punch with the Goldenrod Solid Cardstock. Cut off the lace edge. Trim to measure 12 x 3-3/8" and punch the other side. Cut off the lace edge.

Step 2: Cut a 12 x 1" strip of each polka dot, blue grid and teal wave patterned papers. Round the top corners of each with the 2-Way Corner Rounder. Adhere to the base as shown.

Step 3: Punch a border using the Arch Border Frame Punch with Goldenrod Solid Cardstock. Trim off the arches and cut apart four arches. Adhere one just behind the tops of each of the three "folders" (setting one aside). Punch an arch shape from each blue grid (2), teal wave and polka dot patterned papers. Insert a punched out arch shape into each of the goldenrod "file tabs."

Step 4: Add stickers as shown.

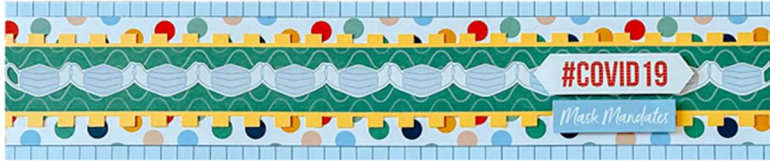

Step 1: Using the Clouds Border Maker Cartridge, punch a border from teal wave patterned paper. Trim to measure 12 x 2-1/4" to create the base.

Step 2: Punch a border using the Clouds Border Maker Cartridge from blue grid paper. Trim to measure 12 x 1" and adhere to the base. Cut a 12 x 3/4" strip of polka dot patterned paper and adhere just under the blue grid piece.

Step 3: Using the inside of the smallest Custom Cutting System Circle Pattern, cut two circles of Goldenrod Solid Cardstock and three teal wave circles with the Blue Blade. Cut three circles of Goldenrod Solid Cardstock and two red circles (from the red heart box section) with the Green Blade. Cut three red and two teal wave circles with the Red Blade. Layer and adhere groups of three circle shapes. Cut each in half to make rainbows. Adhere to the border as shown.

Step 4: Cut a 3 x 1/2" piece of Goldenrod Solid Cardstock. Notch the ends. Adhere to the border and top with the rainbow and "Silver linings" stickers.

Step 1: Cut a 12 x 2-1/2" strip of blue grid patterned paper to create the base. Cut a 12 x 2" strip of polka dot patterned paper and adhere to the base.

Step 2: Punch a border using the Train Tracks Border Punch from Goldenrod Solid Cardstock. Adhere to the border. Cut a 12 x 1" strip of teal wave patterned paper and adhere on top as shown.

Step 3: Add the masks border sticker. Top with the "#COVID19" and "Mask mandates" stickers with Foam Squares.
