

*Sample layout and blog directions use the Nordic Winter (2023) collection.*

**Step 1:** Use a piece of cardstock (or a refill page) as the base for this layout.

**Step 2:** Cut both woodgrain and navy line art leaves papers in half lengthwise. Cut each again at 7". Adhere the 7" pieces side by side on top of the layout. Adhere the remaining 5" pieces side by side (but swapped) on the bottom of the layout as shown. Place a border sticker along the seam at about 5".

**Step 3:** Crop two photos to 4" x 5-1/2" and mount on two 4-1/2" x 6" pieces of baby blue pinwheel quilt paper. Adhere on the 7" pieces as shown.

**Step 4:** Place two journal cards from the embellishments pack on the bottom of the layout as shown. Crop two photos to 3" x 4", notch the corners with the 2-Way Corner Rounder and adhere next to the journal cards, forming a row.

**Step 5:** Adhere stickers and embellishments, popping some up with Foam Squares for added dimension.

**Step 6:** Journal as desired on one of the journal cards.
