

Sample layout and blog directions use the Electric Summer (2020) collection.

Step 1: Use a piece of indigo paper as the base for this layout.

Step 2: Cut a piece of White Solid Cardstock to an 11-1/2 x 11-1/2" square and adhere to the layout at an angle.

Step 3: Cut a piece of suns paper to 11-1/4 x 2-3/4". Punch two sets of flip flops from upper left edge and adhere to the top of the layout as shown. Repeat with aqua paper, punching the lower right edge and adhering to the bottom of the layout.

Step 4: Using the 12-inch Decorative Trimmer, cut a swell edge on a sheet of periwinkle shells paper. Trim to 11-1/4 x 3" (top of swell) and adhere to the layout underneath the suns piece. Cut the opposite swell edge on a piece of yellow paper. Trim to 11-1/4 x 2-3/4" (top of swell) and adhere it to the layout as shown.

Step 5: Crop one photo to 4 x 4" and adhere it to the upper left side of the layout. Mount a mat next to it. Cut two photos to 3 x 4" and mount, angled, on the lower left side of the layout. Cut a striped mat, giving you two 6 x 1" strips. Adhere the strips to the upper right and lower left of the layout as shown.

Step 6: Add stickers and layered embellishments. Journal as desired.
