

Sample layout and blog directions use the Birds & Blooms (2024) collection.

**Step 1:** Use brown speckled paper for the base of the layout.

**Step 2:** Adhere and layer laser cut borders in the middle of the layout.

**Step 3:** Cut large variety mats in half to measure 3-1/4 x 4-1/2". Adhere three on the top of the border and three below the border.

**Step 4:** Cut five photos to measure 2-3/4 x 4". Adhere to the mats.

**Step 5:** Cut 1/2" strips from the floral "Smile" 4 x 6" mat. Adhere along the upper- and lower-right edges of the mats, and the upper- and lower-left edges of the mats.

**Step 6:** Using the "Spring Fever" mat, cut a circle using the outside edge of the small Circle Custom Cutting System Pattern with the Red Blade. Tuck behind the borders in the middle for the title. Journal on the upper-middle mat.
