

Sample layout and blog directions use the Life at the Lake (2024) collection.

**Step 1:** Use a sheet of ombre paper as the base for this layout. Cut a 12 x 1-1/4" strip with black polka dots paper and adhere on the top of the layout. Cut a 12 x 4-1/4" strip with black polka dots paper and adhere to the bottom of the layout.

**Step 2:** Using the inside edge of the square Rectangle Custom Cutting System Pattern and the Green Blade, cut squares from a variety of papers (cabin, buffalo check, plaid, reeds, map and diamonds). Crop two photos using the same pattern and blade. Cut the cabin, buffalo check, plaid and reeds squares in half. Adhere one half of each along the top black polka dots strip as shown. Adhere the other halves and remaining squares and photos along the bottom black polka dot section, using the layout above as a guide for placement.
