

Mosaic Diamond Frame

SUPPLIES

- Homebody Papers
- Homebody Embellishments
- Hot Fudge Cardstock
- Mosaic Diamonds BMC
- 2-Way Corner Rounder

1. Cut (20) 2 x 2" squares and use the corner rounder to round the outside 2 corners of each square..

2. Arrange the squares on the outside edge of the base page. Trim the 3rd corner of the squares that are in each corner of the page. Adhere all pieces to the base page.

3. Cut a 10 x 10" square from cardstock or tonal paper. Place in paper holder so that 1" of the black paper tray shows on either end.

4. Do not punch the first and last slots. Punch only the center four slots.

5. Rotate the paper after each set of punches until you have punched all 4 sides.

6. Adhere the frame to the background as shown.

FINISHING THE LAYOUT:

Mats: (2) 5 x 4", (1) 3-1/2" square

Photos: (2) 4-3/4 x 3-3/4", (1) 3-1/4" square

Add decorative detail to the corner space left in the frame after punching. Samples uses the epoxy dots that are part of the Homebody Embellishment Pack.
