INSTRUCTIONS

- Use two sheets of designer paper for your base.
- Before making any cuts, be sure to pay attention to the direction of the paper patterns.
- Using the 12-inch Trimmer, follow the Cutting Guide with designer paper. For circle piece K, use the outside of the medium Circle CCS Pattern with the Green Blade, and then cut in half. For circle pieces L, M, N and O, use the inside of the medium Circle CCS Pattern with the Green Blade.
- Use the Gourd Time Punch to punch multiple pumpkins out of the remaining paper.
- Use the Tape Runner to adhere pieces D and E approx. 2" from the bottom across each base page. Adhere alternating pieces
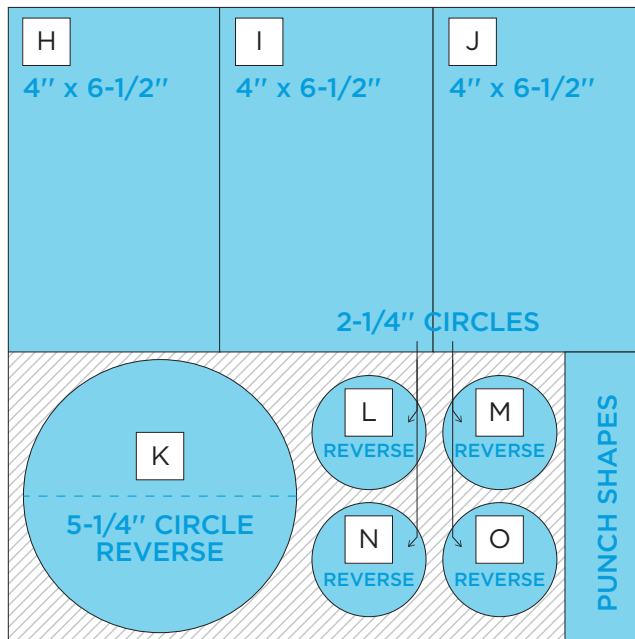

- A, B, C, H, I and J just above them as shown.
- Adhere pieces F and G across the top.
- Place the lower half of circle piece K on the left page, approx. 1/4" from the side and matching the straight edge with the top of piece D as shown. Adhere circles L and M next to K, slightly overlapping piece D. Repeat this process at the top of the right page using the upper half of piece K and circles N and O as shown.
- Decorate the circles using the punched pumpkins, adhere photos and journal as desired.
- Optional: Apply stickers using Foam Squares to add dimension.
