

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

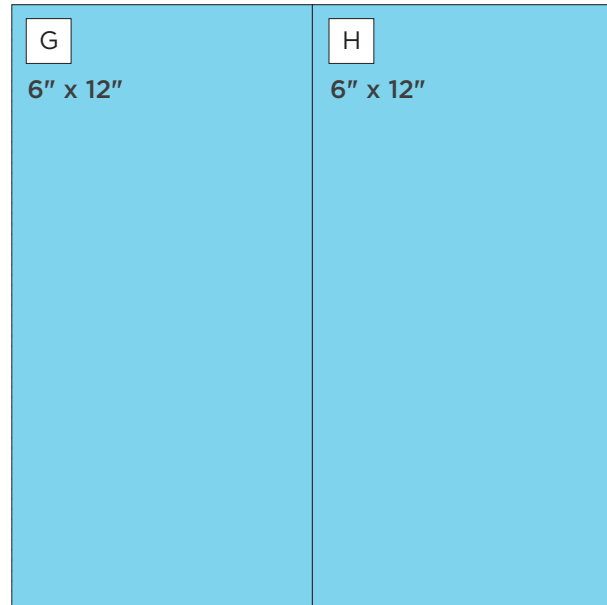

- Using the Elegant Diamond Border Punch, punch border piece A along one side of the Pumpkin Solid Cardstock. To create a smooth edge before punching border piece B, use the 12-inch Trimmer to cut off an additional 1/8". Repeat these steps to punch border piece B and then create another smooth edge.
- Cut both borders in half at 6" so that you end up with four 6" border strips.
- Using the 12-inch Trimmer, finish following the Cutting Guide with remaining cardstock and designer paper.
- Use the welding technique to create both base pages by cutting two 12" x 1" strips from scrap paper.
- Place pieces G and I together facing down so that you are seeing the backs of the papers. Apply adhesive using the Tape Runner down the entire length of one of the scrap strips, then adhere it along the seam between G and I to form one 12" x 12" sheet. Flip it over to complete. Repeat this process with pieces H and J.
- Adhere pieces I and J along the outside edge, and pieces G and H along the inside edge of both base pages.
- Adhere pieces K and L to the left and right outside edges and all remaining pieces following the sketch above. Use the Repositionable Tape Runner to adhere border pieces A and B.
- Adhere photos and journal as desired.
- Optional: Apply embellishments using Foam Squares to add dimension.
