

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

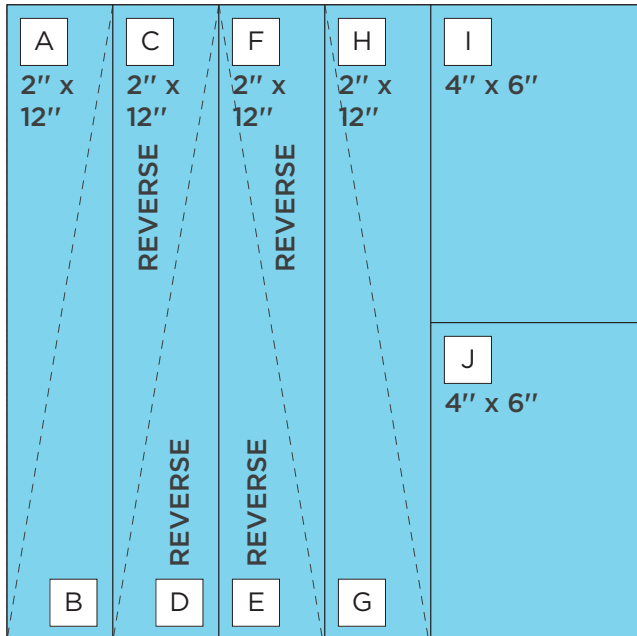

- Use two sheets of designer paper for your base. *Tip: Keep a pad of sticky notes and a pen handy to easily mark the identifying letter on each piece as they are cut. This will make assembling the layout much easier!*
- Using the 12-inch Trimmer, cut four 2" x 12" strips following the Cutting Guide on designer paper.
- For pieces A, B, C and D, cut diagonally from the top right corner to bottom left corner. For pieces E, F, G and H, cut diagonally from the top left corner to bottom right corner.
- Finish following the Cutting Guide on designer paper to create pieces I and J.
- Use the Square Link Chain BMC with the Original Border

Maker System to punch six borders from Brown Shimmer Solid Core Paper.

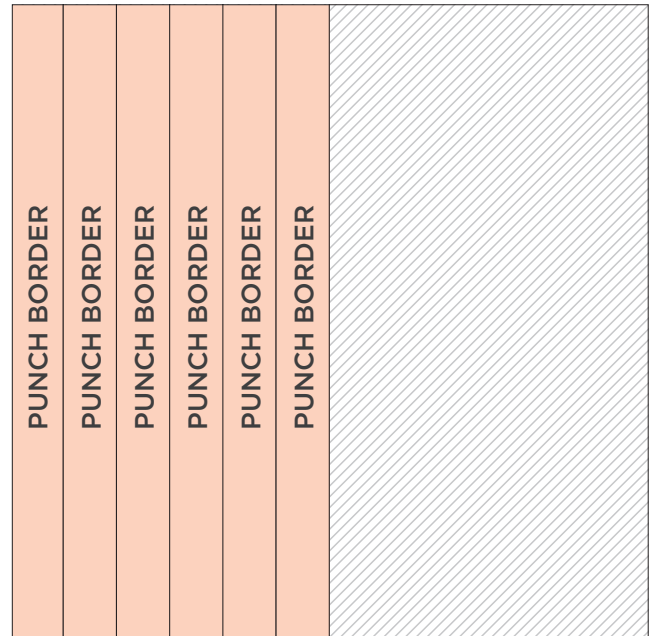

- Use the Tape Runner to adhere pieces E, A, H and D along the top and pieces G, C, F and B along the bottom of both base pages as shown.
- Use the Repositionable Tape Runner Refill to adhere border pieces. Adhere the first two 1-1/4" from the outer edges, the second two 2-1/2" from the outer edges and the third two 3-3/4" from the outer edges.
- Center and adhere pieces I and J over the borders as shown.
- Adhere photos and journal as desired.
