

Sample layout and blog directions use the Wonderful Day (2024) collection.

Step 1: Use a sheet of black cardstock as the base for this layout.

Step 2: Cut twenty 2-1/4" squares with stone designer paper. Adhere on the layout in a grid pattern as shown, spacing evenly. Cut at least six 2" squares with a variety of paper scraps. Trim each in half from corner to corner, and again from the opposite corners to form four triangles each. Adhere the triangles on the stone squares to create a tile mosaic pattern, as shown.

Step 3: Cut an 11-5/8 x 2" strip with pin stripes paper and adhere on the bottom of the layout. Place an arrows border sticker on the seam.

Step 4: Crop two photos to 3-1/2 x 5-1/4". Adhere on two 3-3/4 x 5-1/2" pieces of beige cardstock and then on two 4-1/4 x 6" pieces of hot fudge cardstock. Mount both on the layout as shown.

Step 5: Adhere stickers, popping some up with foam squares for dimension.

Step 6: Cut 1/4" strips with stone paper. Journal on them as desired, trim the length as needed and adhere on the layout.
