SPOOKY CASTLES & BATS BORDER

Step 1: Punch Black Shimmer Paper with the Fairgrounds Border Punch and trim at 2-1/8" with the Deckle Blade on the 12-Inch Rotary Trimmer. Use the Micro Tip Scissors to cut away the Ferris Wheels. Adhere the purple cloud border sticker as shown in the photo.

Step 2: Trim the edge of a piece of Eggplant Cardstock with the Deckle Blade on the 12-Inch Rotary Trimmer. Then punch the same edge with the Bats & Stars BMC. Trim the border to 1-1/2" after punching. Adhere the black shimmer border to the eggplant border so that the tops of the castles are about 1/8" from the top of the eggplant border.

Step 3: Trim a piece of Green Burst paper to 2 x 12". Adhere the eggplant & black border, centering top to bottom.

Step 4: Trim a piece of Orange Stripes paper to 3 x 12". Adhere the green border, centering top to bottom.

Step 5: Use Circle #2 of the Circles CCS Patterns with the Green Blade on the inside track to cut a circle from Canary Cardstock. Adhere behind the castle as shown.

LAYOUT WITH 6 IMAGES

Step 1: Use the black polka dot paper as the base.

Step 2: Trim a 1 x 12" piece of the Green Burst paper and flip it over to show the reverse side - Halloween icons on a black background. Adhere to the top of the base paper.

Step 3: Adhere the border to the background, 3/4" from the top of the paper.

Step 4: Trim (6) 3-3/4" square mats from eggplant cardstock using the Deckle Blade. Adhere to layout as shown.

Step 5: Use with photos trimmed to 3-3/8" square.
