

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

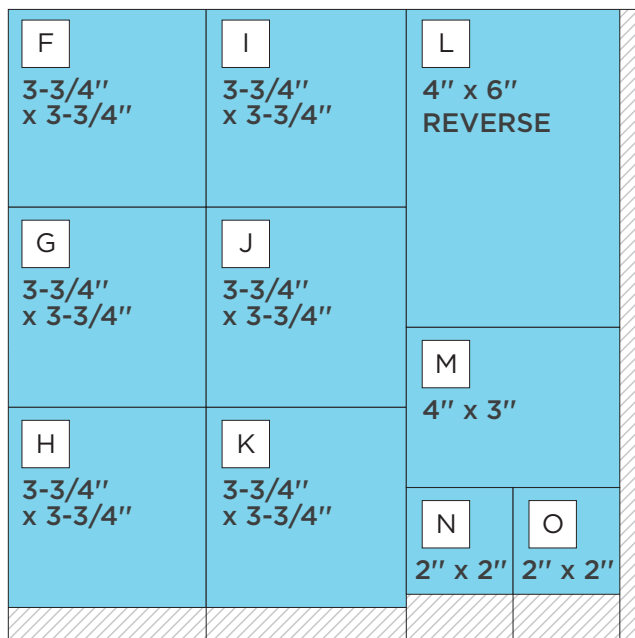

- Use two sheets of the same designer paper for your base.
- Use the Ribbons & Bows Border Punch to punch two borders from designer paper #1.
- Using the 12-inch Trimmer, finish making cuts from designer paper #1 by trimming the remaining paper into four 4x6 pieces. Set aside three for pieces C, D and E. Use the fourth piece with the Ribbons & Bows Border Punch to punch two extra borders to use as bow embellishments.
- Use the 12-inch Trimmer to cut remaining pieces following the Cutting Guide.
- Use the Tape Runner to adhere pieces F-K evenly along the bottom of both base pages, approx. 1/4" from the bottom.
- Using the Repositionable Tape Runner, adhere both 12" borders above pieces F-K as shown.
- Adhere pieces L, C, D, E and M as shown, followed by pieces N and O.
- Trim the extra border pieces so that you have one strip with three bows, one with two bows and three with one bow. Use two of the single bows to decorate above pieces N and O. Arrange the other three pieces in a pyramid shape with three bows at the bottom, two in the middle and one at the top above piece M as shown.
- Adhere photos and journal as desired.
- Optional: Apply stickers and embellishments using Foam Squares to add dimension.
