

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

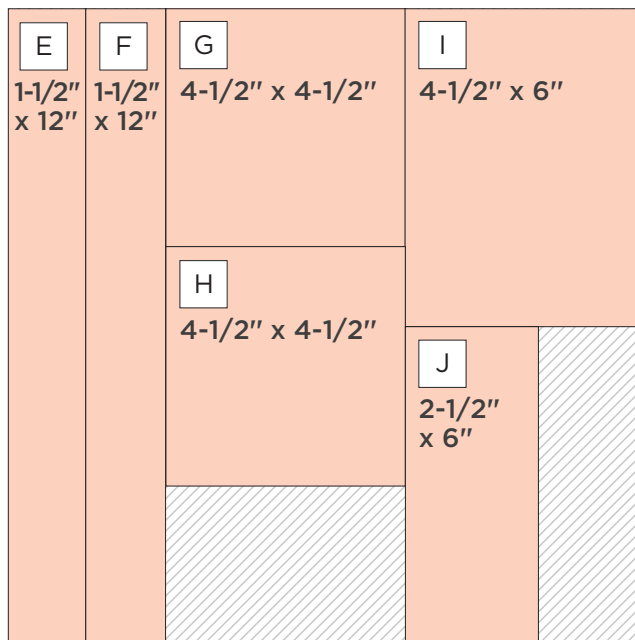

- Use two sheets of designer paper for your base.
- Using the Mittens & Flurries BMC with the Original Border Maker System, punch a border from the designer paper. Use the 12-inch Trimmer (optional: use the 12-inch Decorative Trimmer) to trim at 3" to make piece A. Repeat to make piece B.
- Use the 12-inch Trimmer to finish following the Cutting Guide with designer paper and Navy Solid Cardstock.
- Use the Tape Runner to adhere pieces E and F along the top of both base pages as shown.
- Use the Repositionable Tape Runner Refill to adhere piece A along the top edge overlapping E, and piece B overlapping F. Do not apply adhesive along the bottom edge of piece B so photos can be tucked underneath.
- Adhere piece C on the left edge of the left page.
- Adhere pieces G, H, I, J and D as shown above.
- Adhere photos and journal as desired.
- Optional: Apply stickers using Foam Squares to add dimension.
