INSTRUCTIONS

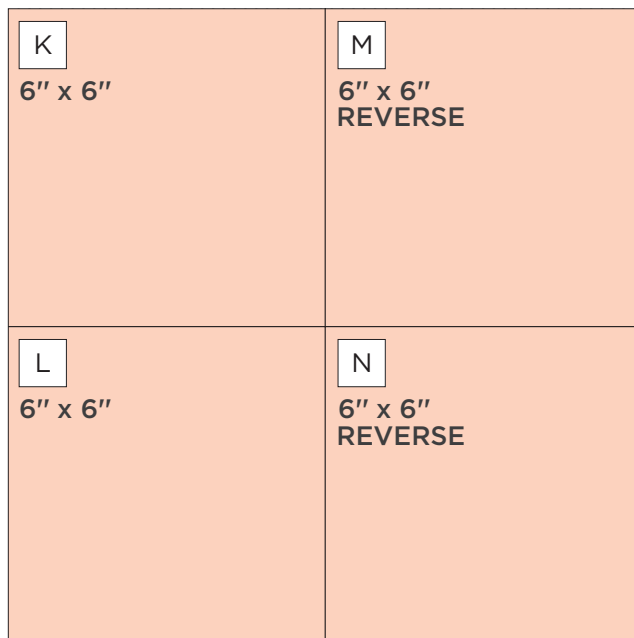

- Use two sheets of tone-on-tone paper for your base.
- Using the Cyclic Circles BMC with the Original Border Maker System, punch a border from designer paper #1. Then use the 12-inch Trimmer to trim at 1-1/8" to make piece A. Repeat to make three more borders, pieces B, C and D. *Tip: Save the leftover punch scraps to use as embellishments on the layout!*
- Use the 12-inch Trimmer to finish following the Cutting Guide with designer papers #1 and #2.
- Use the Repositionable Tape Runner to adhere the border pieces along the top and bottom edges of both base pages.
- Use the Tape Runner to adhere pieces K and M on the left page and L and N on the right page. Finish adhering all remaining pieces as shown.
- Adhere photos and journal as desired.
- Optional: Apply stickers or embellishments using Foam Squares to add dimension.
