

SUPPLIES

- 2-3 sheets of designer paper
- 2 sheets cardstock or jeeped album pages
- 1-2 sheets of cardstock for mats
- Handheld rotary trimmer
- 18" ruler

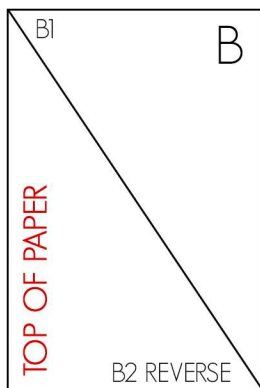

**Step 1:** Choose two matching 12 x 12" designer papers and trim a 12 x 4" strip from the bottom of each piece\*. Use a sticky note to label the larger 12 x 8" rectangles A and B.

*\*If you want to use three different patterns of paper, cut the 12 x 4" rectangles from a separate piece of designer paper.*

**Step 2:** Use a handheld rotary trimmer and an 18" ruler to cut the 12 x 8" rectangles into triangles as shown at left.

**Step 3:** Use two pieces of cardstock or jeeped album pages as your base. Adhere the 12 x 4" strips to the bottom of each page.

**Step 4:** Adhere triangle pieces A1 and B1 directly above the 12 x 4" strips. Flip pieces A2 and B2 over to show the reverse pattern and adhere to the page as shown in the sketch.

**Step 5:** Cut and adhere the title bar, mats and photos as desired. If using 4 x 6" mats, trim photos to 5-1/2 x 3-1/2".
