INSTRUCTIONS

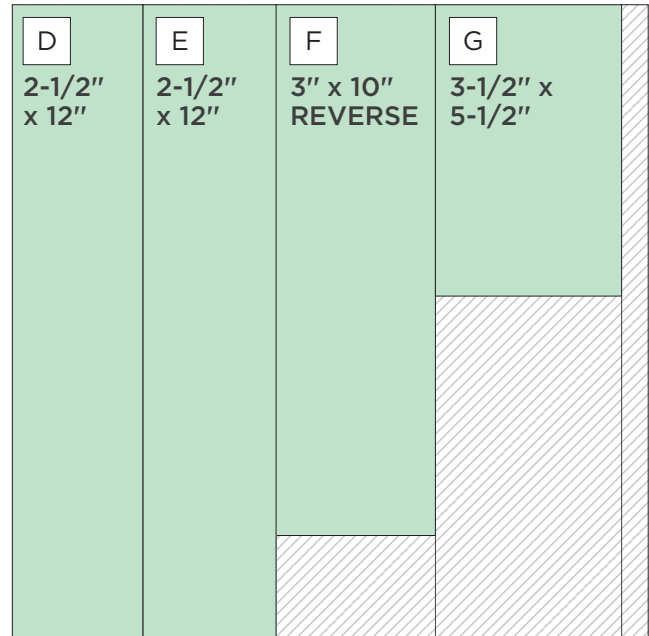

- Use two sheets of Blue Solid Cardstock for your base. Be sure to pay attention to the direction of the paper patterns before cutting.
- Using the Heartbeat Chain BMC with the Original Border Maker System, punch four borders from designer paper #3. For pieces J and K, use the 12-inch Trimmer or Micro-Tip Scissors to trim the ends of two of the borders so they are 9-1/2" long, following the example layout above.
- Use the 12-inch Trimmer to finish following the Cutting Guide with designer paper.
- Use the Tape Runner to adhere piece A 3" from the right edge of the right page. Adhere D and E 3/4" from the bottom of each page, then adhere B and C along the inside edges of each page above D and E.
- Use the Repositionable Tape Runner to adhere border pieces H and I along the top edges of D and E, and border pieces J and K above B and C.
- Finish adhering all remaining pieces as shown.
- Adhere photos and journal as desired. Optional: Add Write On! Stickers over piece D to journal on.
- Optional: Apply stickers using Foam Squares to add dimension.
