

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

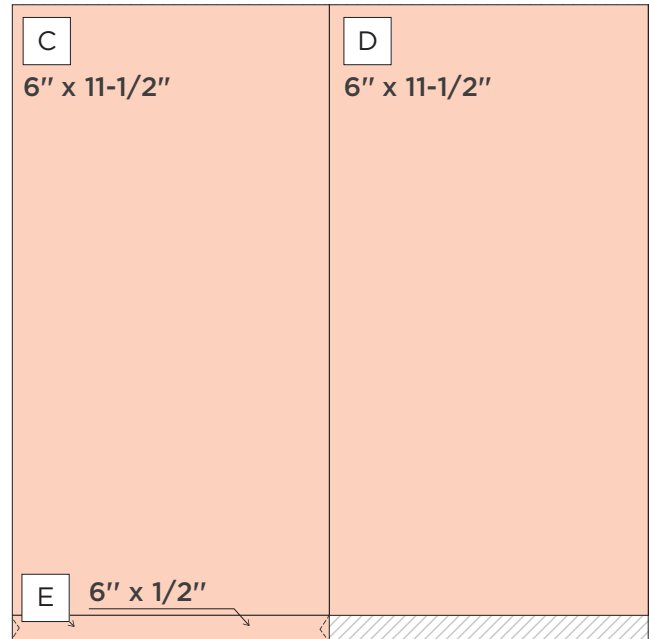

- Use two sheets of Beige Solid Cardstock for your base. Be sure to pay attention to the direction of the paper pattern before cutting.
- Using the Watering Cans BMC with the Original Border Maker System, punch a border from designer paper #1. Use the 12-inch Trimmer to trim 1" off the opposite edge of the paper, and then trim the sheet in half at 6" to make pieces A and B.
- Use the 12-inch Trimmer to finish following the Cutting Guide with designer papers #2 and #3.
- Use the Tape Runner to adhere pieces C and D along the inside edges of each page, leaving a 1/4" margin on the top and bottom.
- Use the Repositionable Tape Runner to adhere pieces A and B approximately 1" from the outer edges of each page with the border punch along the top.
- Finish adhering all remaining pieces as shown. Use Micro-Tip Scissors to cut both ends of piece E into banners, then fold in half as shown and adhere over K.
- Adhere photos and journal as desired.
- Optional: Apply stickers using Foam Squares to add dimension.
