

Double Rickrack Gradient Layout

SUPPLIES

Ombre Paper
Complimentary Tonal Paper
2 colors cardstock
Double Rickrack BMC
Edge or Knockout Style BMC
Corner Rounder

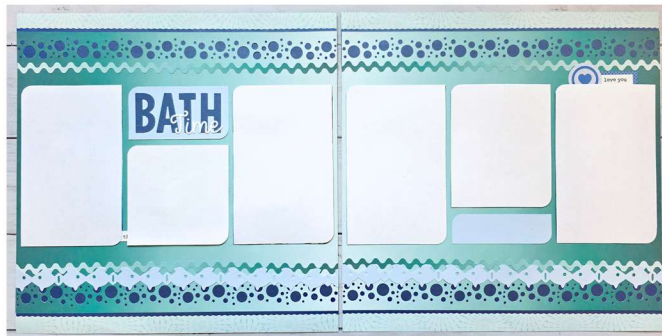

1. Punch one Double Rickrack Border from the ombre paper.
2. Trim remaining ombre paper to 10-1/2 x 12". Punch each 12" side with an edge or knockout style BMC. The 1/2 x 12" strip is scrap.
3. Trim (2) 1-1/2 x 12" strips of Starry Night shimmer paper with the wave blade. Adhere to ombre paper so that the wave edge is exposed by about 1/8".
4. Trim (2) 1-1/2 x 12" strips of a tonal pattern paper. Adhere to the back of the ombre paper to recreate a 12 x 12" page.

5. Adhere one rickrack border just below the design of the top edge pattern. Reverse the ombre pattern.
6. Punch an accent border (Kissing Fish BMC in sample) or use other border element. Dry fit this border with the second rickrack border at the bottom to make sure your spacing is right before adhering.

7. Repeat Steps 1-6 with a second ombre paper to create a second page if needed.

8. Arrange photos and other embellishments as needed. See below for sample photo sizes.

Four photos are 3-3/4 x 6".
One photo is 3-3/4" sq.
One photo is 3-3/4 x 4-1/2".
All photos were rounded on 2 opposite corners.
Title box is 3-3/4 x 2".
Journal box is 3-3/4 x 1-1/2".
