

May 2020 Virtual Crop Sketch #4

The directions below are one suggestion to make the layout as shown. Alter as needed to make the layout work for your photos.

**Step 1:** Begin with base page, cardstock or paper. Trim three 1 x 12" strips of paper (or use borders) and adhere one strip down the middle and the other two 1-1/2" in from the outside edges.

**Step 2:** Trim two 12 x 5/8" strips of paper and adhere to the top and bottom of the page.

**Step 3:** Trim photos or cardstock to 3-1/2" squares and adhere to the layout as shown. If cutting mats, trim photos to 3" or 3-1/4" squares.
