

Layout created with the Black & White collection (2018)

Step 1: Use the Gold Shimmer 12 x 12" Cardstock for your base.

Step 2: Trim one sheet of white patterned paper to measure 11 x 11". Adhere to the Gold Cardstock.

Step 3: Take the remaining sheets of paper and trim four 1 x 12" strips out of each paper. Adhere as shown on the right side of the page.

Step 4: Take a piece of black patterned paper and trim two 6-1/2 x 4-1/2" rectangles for matting your photos. Adhere to the page as shown.

Step 5: Next, take a piece of white patterned paper and trim two 1/2 x 12" strips. Adhere the first piece horizontally to your spread. The second will need to be trimmed down to the following measurements: (2) 1/2 x 3", (2) 1/2 x 2-1/2" and (1) 1/2 x 1/2".

Step 6: The 3" long strips will be bowed over for each side of the bow and adhered together with the 1/2 x 1/2" piece. The 2-1/2" strips will be trimmed with scissors for your bow. Adhere these pieces to the layout as shown.

Step 7: Using your Foam Squares and Stickers, dazzle up your design. Adhere your photos (2 - 4 x 6") and you have a complete layout!
