Copper Canyon Layout 1

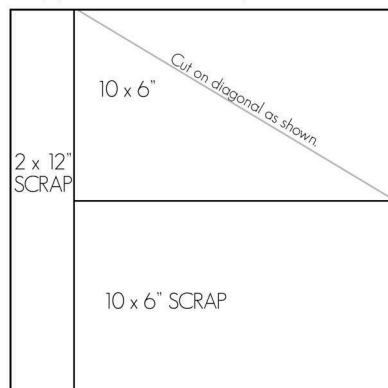

- 2 Sheets Umber Paint Paper
- 1 Sheet Wood Texture Paper
- 1 Sheet Distressed Brown Metal Paper
- 1 Sheet Copper Shimmer Paper
- 2 Sheets 12 x 12" scrap paper or pages for base

Border Maker System with the Knockout-style BMC (Ancient Key shown in sample)

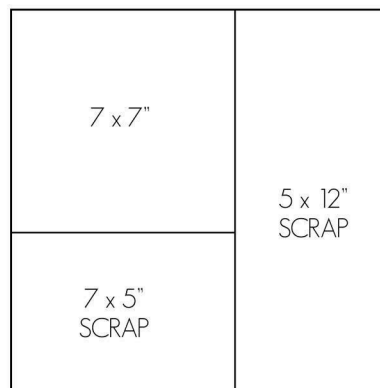

Wood Texture Paper

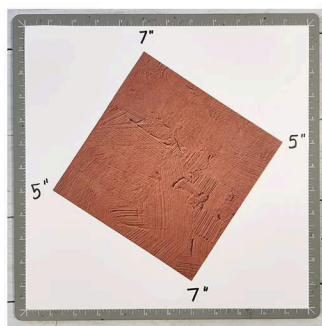

Distressed Brown Metal
Copper Shimmer Paper

Umber Paint Paper (x2)

Punch the long diagonal edge of the Distressed Brown Metal triangles. Back with the 1 x 12" strips of wood texture paper so that the reverse blue shows through.

Adhere the 7" square Umber Paint pieces to the base layout cardstock so that the top and bottom corners line up with 7" and the side corners line up at 5"

Adhere the wood tone triangle first, then the blue followed by the copper. Adhere the punched triangle last.

FINISHING THE LAYOUT

Repeat the steps to complete the 2nd page.

MATS - Cut three 4-1/4 x 6-1/4" and two 4-1/4" square mats from hot fudge cardstock.

PHOTOS - Use four 4 x 6" photos and two 4" square photos.
