

Interlocking Corners Layout

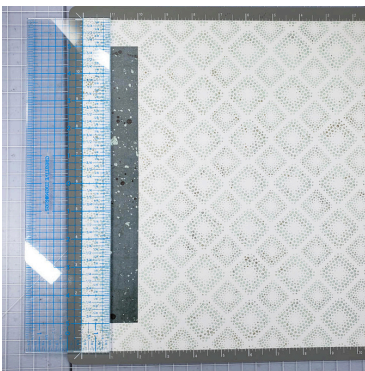

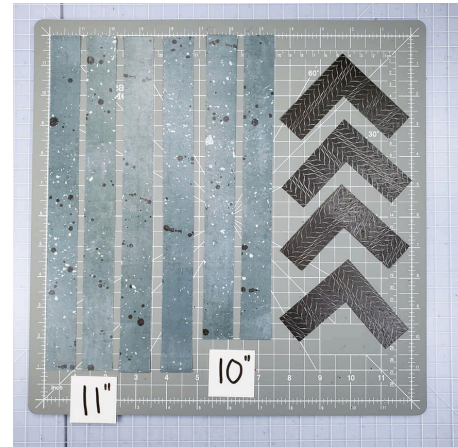

SUPPLIES

- 2 base papers or album pages
- 1 sheet designer paper (will use both sides)
- Additional paper for mats
- Cardstock and designer papers
- 12-inch Trimmer
- Adhesives

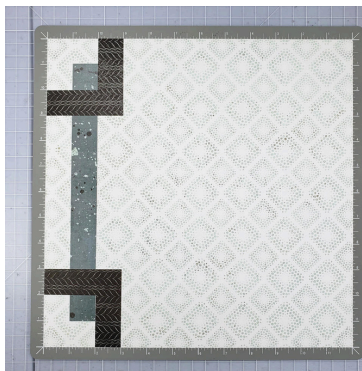

Start with a 6 x 6" square and cut a 4" square from the middle leaving a 1" frame.

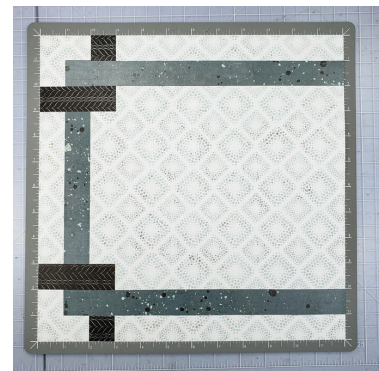

Next cut the frame in half on all four sides to create four corner pieces

Adhere the 1 x 10" strips 1" from the outside edge of each page, centering from top to bottom.

Adhere the corner pieces as shown on each page.

Adhere the 1 x 11" strips as shown, 1" from the top and flush with the inside edge.

MATS & PHOTOS

The sample layout uses (3) 4 x 6" mats and (3) 4 x 4" mats. Pair these with 3-1/2 x 5-1/2" and 3-1/2" square photos.
