

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

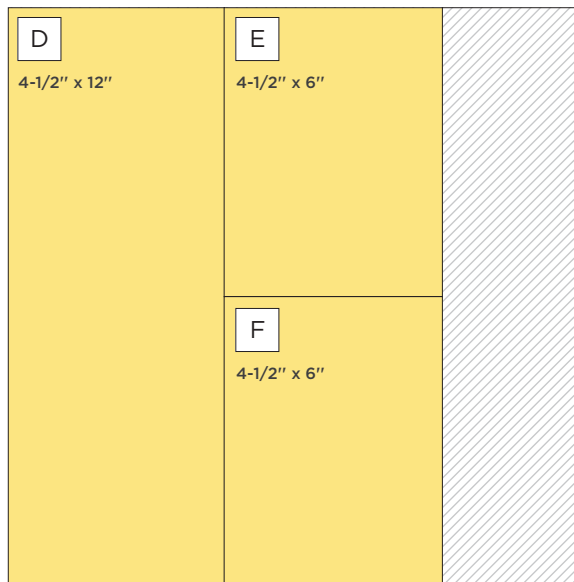

- Use two sheets of Bright White Solid Cardstock for the base pages.
- For Cutting Guide #1, use the Ornaments Border Punch to punch two borders from Dark Green Solid Cardstock. Trim border piece A at 7-1/4" and 2" and trim border piece B at 5-1/2" and 3-1/2".
- Use the 12-inch Trimmer to finish following the Cutting Guide with cardstock and designer paper.
- Adhere pieces H and I along the bottom edge of each page, followed by piece C on top of I, 1" from the inside edge. Optional: Apply border stickers above H and I before adhering piece C.
- Adhere piece D on top of C 1/2" from the top of the right page. Adhere piece G 1/4" below D, then adhere piece E directly below G as shown.
- To make the tree on the left page, adhere piece Q above H and 4-1/4" from the left side of the left page. Use the Repositionable Tape Runner to adhere the longer punched piece A at a slight angle above Q. Layer the remaining border pieces and strips (pieces A, B and J-P) from largest to smallest as shown to form a tree.
- Adhere piece F overlapping the tree at an angle as shown.
- Adhere photos and journal as desired.
- Optional: Apply stickers using Foam Squares to add dimension. Add Write On! stickers on top of piece C to journal on.
