

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

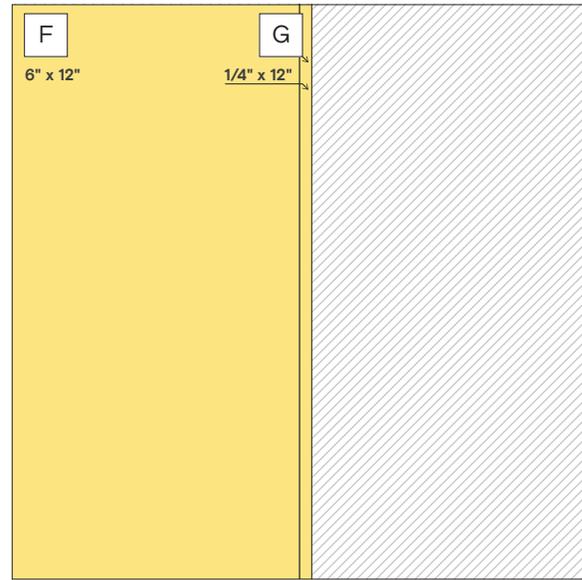

1. Use a sheet of designer paper for the left base page and a sheet of Deep Orchid Solid Cardstock for the right base page.
2. To create piece A, use the Original Border Maker System with the Decorative Waves BMC to punch along one edge of designer paper #1. Then use the 12-inch Trimmer to cut at 1/2", measured from the widest part of the punch. Repeat to create piece B.
3. Use the 12-inch Trimmer to finish following the Cutting Guide with designer paper and cardstock.
4. Use the Tape Runner to adhere piece F 1" from the left edge of the left base page.
5. Use the All-Purpose Scissors to cut a dovetail banner (or ribbon-cut banner) from the bottom of piece E and adhere 3" from the left edge of the left page, centered top to bottom.
6. Adhere piece H 1" from the top and 3/4" from the right edge of the left page, followed by piece I below it as shown.
7. Use the Repositionable Tape Runner to adhere punched piece B and piece G on top of piece C, aligning piece B along the left edge and piece G along the right. Adhere this combined piece 1/4" from the right edge of the right base page.
8. Use the Repositionable Tape Runner to adhere punched piece A along the right edge of piece D. Adhere this combined piece 5-5/8" from the right edge of the base paper. Center three 4" x 4" photos in the gap between pieces C and D, allowing the base page to show through.
9. Adhere pieces J and K to the right page, 1/4" from the left edge and lined up with pieces H and I on the left page.
10. Adhere remaining photos as shown.
11. Optional: Apply stickers using Foam Squares to add dimension and journal as desired. Use the Black Dual-Tip Pen to add hand-drawn borders around the edges of the photo mats.
