

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

1. Use two sheets of Bright White Cardstock for the base pages.
2. Use the 12-inch Trimmer and Custom Cutting System to follow the Cutting Guide with designer paper. For Cutting Guide #3, use the smallest Circle CCS Pattern to cut along the outside edge with the Green Blade. Optional: Use the reverse side of the excess designer paper #2 to trim 3/8" journal strips.
3. Use the Sunlit Border Punch to punch out pieces G–J.
4. Use the Repositionable Tape Runner to adhere pieces G and H along the bottom of both pages, making sure the intact corners meet the bottom corners of the base page as shown. Align and adhere piece I along the left edge of the left page so that the 1/4 sun joins the 1/4 sun on piece G as shown. Trim excess and repeat with piece J along the right edge of the right page, joining with piece H.
5. Use the Tape Runner to adhere piece A to the left page, 1-3/4" from the bottom edge and 1-3/4" from left edge. Adhere piece B to the right page, 1-3/4" from the bottom edge and 1-3/4" from right edge.
6. Adhere piece Q on top of piece A as shown, approximately 2-1/2" from the bottom of the left page. Adhere pieces K and N on top as shown.
7. Adhere piece L on top of piece B on the right page, placing it so that it matches the height of piece K on the left page. Adhere piece M so that it matches the height of piece N on the left page.
8. Adhere pieces C–F, O and P as shown.
9. Adhere photos as shown.
10. Optional: Adhere journal strips below piece O as shown. Apply stickers using Foam Squares to add dimension and journal as desired.

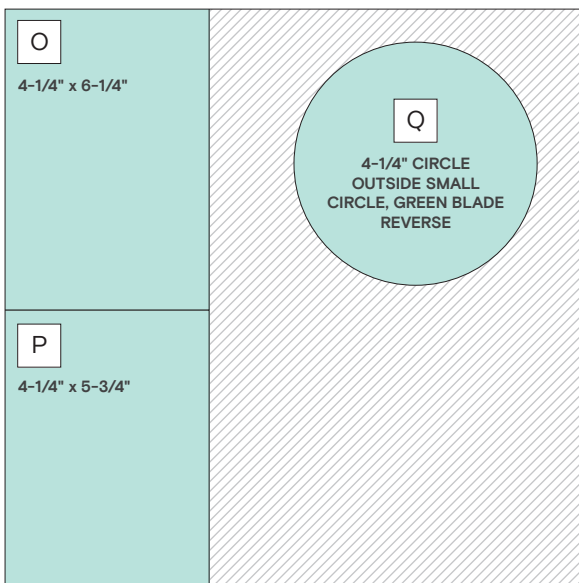

CUTTING GUIDE: Make the following cuts on designer paper, paying attention to the way the papers are rotated before cutting.

1 Designer Paper #1

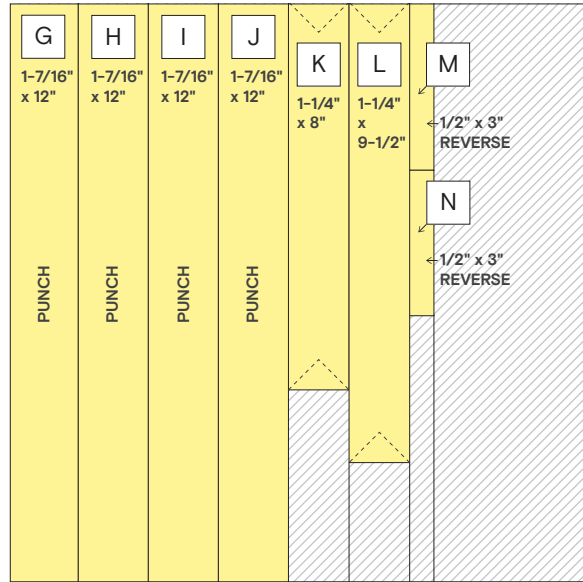

TIP: To cut the 10" square diagonally, gently fold from corner to corner. Place the long folded edge against the top edge of the trimmer and align the corners on the cutting line. Trim carefully, then unfold and smooth out.
