

Sample uses the Chasing the Sun (2026) collection

Step 1: Use the aqua leaves designer paper for the base of this layout.

Step 2: Cut a piece of Canary Solid Cardstock to measure 11-1/2" x 9-1/2". Adhere it to the lower portion of the base, leaving a 1/4" border around the bottom and side edges.

Step 3: On the left side of the layout, adhere two mats leaving 1/4" of Canary Solid Cardstock showing around the edges. Cut a mat in half and adhere both pieces to the right side of the layout, making sure to maintain that same 1/4" border around the outer edges.

Step 4: Choose a variety of designer papers and cut six pieces that measure 1-1/2" x 1-1/2". On the right side of the layout, adhere three squares above the small mats and the remaining three below.

Step 5: Use the White Gelly Roll Pen to doodle around the outer edges of each mat.

Step 6: Cut two photos to measure 5" x 3" and mount both photos onto the larger mats.

Step 7: Adhere embellishments to the layout, using Foam Squares on some for dimension.
